Dear Zach,

I wish to express my gratitude to you and the Al McKay Allstars for their August 6th performance at the Burbank Starlight Bowl. The community, staff and elected officials raved about the performance. I appreciate your professionalism and the efficient load in and load out; you and the Allstars band members were a pleasure to work with.

Once again, thanks again for arranging such an entertaining show. I look forward to working with you again in the future.

Sincerely,
